

The Emperor's message to us all in Europe especially we Brexiteers

For European renewal

PUBLIÉ LE 4 MARCH 2019

"Citizens of Europe:

"If I am taking the liberty of addressing you directly ...

"And this [EU] project continues to protect us today. What country can act on its own in the face of aggressive strategies by the major powers? This struggle is a daily commitment, ...

" ... because Europe, like peace, can never be taken for granted.

"I tirelessly pursue it in the name of France to take Europe forward and defend its model. We have shown that what we were told was unattainable, the creation of a European defence capability and the protection of social rights

Our first freedom is democratic freedom:

Yellow vests demand democracy through referendums Swiss Style

" ... the freedom to choose our leaders as foreign powers seek to influence our vote at each election.

"In this Europe, the United Kingdom, I am sure, will find its true place. Citizens of Europe, the Brexit impasse is a lesson for us all. We need to escape this trap [see end of speech below]

"In this same spirit of independence, we should also ban the funding of European political parties by foreign powers [but not global bankers and international corporations?]. since respect for the individual is the bedrock of our civilisation of dignity.

"Yet no community can create a sense of belonging if it does not have bounds that it protects. The boundary is freedom in security.

"Progress and freedom are about being able to live from your work

Well it was levying of taxes on getting to work which broke the camel's back

"Freedom, protection and progress.

"European humanism demands action. And everywhere, the people are standing up to be part of that change.

"In this Europe, the peoples will really take back control of their future.

Yes, BREXIT, FREXIT

"In this Europe, the United Kingdom, I am sure, will find its true place.

"Citizens of Europe, the Brexit impasse is a lesson for us all. We need to escape this trap
